BOATING/FISHING

October 18th 7:00 PM

This will be our **LAST** meeting before Spring-March. We need **EVERYONES** help regarding the weeds and the fish population growth. We need to put a plan together to better our lake. PLEASE come and share your ideas that would help.

Monthly POA
Meeting
October 19th

No Heavy Trucks on the Dam!

Construction and Delivery Trucks with weights that exceed 12,000 tons cannot cross the dam. The weight limit is in place to prevent costly destruction of the dam. Homeowners MUST instruct their construction and delivery drivers to use the back gate or go around the lake without crossing the dam. Security is going to continue to assist in instructing trucks if they come through the front gate.
